## 2. Parent Learning Week

Our staff are excited to be refining our delivery of Parent Learning opportunities this year with the introduction of a balance of face to face and online offerings. We look forward to connecting with you to allow us to work together to support your children.

## 3. Coffee with the Principal

Each term, I invite parents to join me for a coffee and informal conversation. This is a great opportunity for me to hear your views about education, what we are doing well and what we could do better. It is also a great forum for me to consult with a range of parents around ideas and concepts for the school. A random selection of parents will receive an invitation to this each term however if you would like to come along please just let our office staff know. I very much look forward to these opportunities to connect with our parents and carers.

## 4. Parent Teacher Interviews

In Week 10 of this term parents will be offered the opportunity to meet individually with your child's teacher to discuss their progress across the term. You are welcome to make an appointment to chat with your child's teacher at any time throughout the term.

## High Standards

It is a pleasure to walk through our school on a daily basis and see how strongly our families value our school uniform. Our uniform is an important strategy to ensure the safety of our students, a sense of team and the delivery of high standards.

I ask for parental / carer support with the following uniform details:

- **Shoes** – black only – for workplace health and safety reasons unfortunately 'Mary Jane' style shoes are not permitted
- **Socks** – grey, ankle length.
- **Hats** – BSS hats only no caps please.

- **Hair** – conservative, natural colour, tied up if touching the shoulders and neat.
- **Jewellery** – small sleepers or studs and a watch are permitted; medical bracelets are permitted; religious items are permitted with a parent note.

Make-up and nail polish are not permitted. For more information regarding our uniform policy please visit our website.

## Playgroup

Many of you would know that after a number of years facilitating the BSS community playgroup, Rani Saxvick has moved on from this role. I would like to thank Rani for her commitment to building our playgroup into the strong community organisation that it is today. I am committed to continuing this important community service and therefore Brightwater State School has nominated the lovely Mrs Jo Rothwell to take on the role of facilitating playgroup. Further details will be shared with our school community regarding this in the coming weeks.

## Playgrounds

A reminder to families that all school playgrounds are out of bounds to all children including toddlers before and after school.

Regards,

**Shelley Butcher**, Principal

## DEPUTY PRINCIPAL NEWS

Dear Parents and Carergivers,

### Tea and Tissues Thank you

The first day of school is hard for all parents, but extremely hard for our Prep or new parents.

The first day our little ones are taking that big step and going to school starts a roller coaster of emotions.

Thank you to all the new parents that came to the Performing Arts Room last Monday on the first day back to school, after dropping your little ones off to class.

It's nice to form a support system at the school and be able to meet other parents that are going through the same experience. It was a great turn out and a wonderful opportunity for me to catch up with new and existing families.

### **My First Year Prep Photos**

Next Monday 5 February Sunshine Coast Daily will be coming out to take photos of all our Prep classes in what is their annual 'My First Year', which celebrates the exciting first steps of all those entering school in 2024. The Sunshine Coast Daily has captured these precious moments with special galleries of all the 2024 Prep classes across the Sunshine Coast. The paper will be available to purchase in March. We will let parents know when you can purchase this memorable newspaper on Facebook. Emails will be sent out regarding an opt. out process.

Kind Regards,

**Kristin Hill**, P-2 Deputy Principal

A warm welcome to all our families for the 2024 school year.

The students have settled very well into their new classrooms and our teachers are establishing fantastic relationships with their classes. I have spoken to a few parents already this year and would encourage you

all to feel comfortable to contact me through the office or approach me in the school if you need to discuss anything at any stage.

### **BYOx Laptops**

Students in years 4-6 are able to bring a laptop device to school to enhance their learning through our iLearn program. Details of the program guidelines and minimum spec details can be accessed on the [school website](#).

This site also contains the guides needed to [connect to the BYOx platform and download Office apps](#) that all students have access to free of charge. We would prefer that families

undertake the onboarding configuration at home where parents can assist with administrator access requirements on the device. If families are unable to perform the configuration at home, teachers will seek assistance from the school technical staff. This may delay your child's connection to the network.

\*\*We are aware that some students are having challenges with their initial setup. This often relates to a password issue or restrictive settings on the laptop. Please ensure we can access an administrator account on the laptop so we can assist.

**Mr Paul Taylor**, Year 3– 4 Deputy Principal

Yr 6 Camp was a success, students learnt to work as a team, developed resilience and perseverance as well as having fun. Big shout out to our wonderful staff that volunteer their time to be on 24hrs a day. The relationships built are invaluable.

- Student Leader Investiture will be held on Wednesday 7 February. Our Yr 6 leaders will receive their badges for the 2024 school year.
- Religious Instruction begins next Thursday and we are working with the RI instructors as to which grade levels they will be able to cater for in semester 1. Participants are those who accepted RI during enrolment.
- Student Code of Conduct - behaviour at Brightwater is first class, however we are always looking at ways that we can improve. Our Student Code of Conduct is up for review and over the course of this semester we will be asking families their thoughts on what improvements can be made to continue to keep Brightwater one of the premier schools on the Sunshine Coast.

- ICT agreement - a friendly reminder that students are expected to follow the school's behaviour expectations when using the school owned laptops/lpads or if you are supplying a laptop for your child to use. Point 2 of the ICT agreement states: *I understand that it is a privilege to use such a valuable tool for my learning and I will follow school behaviour expectations when using my Laptop.*
- Attendance - Every minute of every day counts and we want to see our Brightwater students at school each day. We understand that when students are ill or extenuating circumstances occur that students are likely to be away. Please ensure you contact the school via email [office@brightwaterss.eq.edu.au](mailto:office@brightwaterss.eq.edu.au) to inform when your child is away. Thank you.
- Phones away for the day - All state school students must keep mobile phones switched off and 'away for the day' during school hours. At Brightwater any mobile phone must be taken to the office and signed in and collected at the end of the day. Currently, wearable devices, such as smartwatches, must have notifications switched off so that phone calls, messages and other notifications cannot be sent or received during school hours. If there are any alterations to this, you will be notified.

Mr Phil Theofanes, Year 5– 6 Deputy Principal

We hope all our families had a wonderful festive season and summer holiday. A warm welcome to our new families joining us this year.

As some of you may already know, I will be stepping down as President this year due to family and work commitments. Consequently, all positions within the P&C Executive Team are now available, including Treasurer, Vice President, and Secretary. Electing a new President is critical for the continuation of the P&C, as it directly impacts essential services like the second-hand uniform shop and Cafe, both run by the P&C Association.

Heroes don't always wear capes, and if you believe you can make a difference and lead effectively, I assure you it is a rewarding experience. Not only does it benefit the school community, but it's also an opportunity for personal growth. My son Jason loved seeing me involved at school, and I'm sure many of you will find it equally fulfilling.

Below, you'll find more information about each role. If you have any questions, please don't hesitate to reach out to me at [president@bwsspandc.org.au](mailto:president@bwsspandc.org.au). If you were a member last year, please remember to complete a new form this year.

Lastly, mark your calendars for March 13th, when we'll be holding our AGM. Details regarding the time and venue will be confirmed soon. It's a crucial event where your participation matters, so please make every effort to attend.
